

INDUSTRIAL COATINGS

SPECIALIST
COATING SOLUTIONS

SURFACES FOR ALL PURPOSES

EXPERT ADVICE
AND EXPERIENCED
INSTALLERS

Specialist coatings are required to protect and enhance the surfaces and structures of your business or personal property. Whether it be fire protection or to portray the professional image of your business, selecting the right specification and a qualified installer is essential to eliminate the risks of failure.

TPS Specialist Coating Solutions has the experience and knowledge to advise and specify the correct systems which can be delivered through its qualified workforce.

Installers of:

TPS Specialist Coating Solutions works closely with its suppliers when specifying its coating systems, to provide a fully warranted installation supported by appropriate testing and certification where relevant.
